ISK600

ENCLOSURE FOR MINI-ITX BUILDERS

ENCLOSURES

The ISK600 is the newest addition to Antec's award-winning ISK line of Mini-ITX cases. It is a versatile enclosure that matches any CEO's desk, designer's office, or family living room. It is designed exclusively for Mini-ITX motherboards and barely takes up desk. In addition to 0.8mm SECC steel, the ISK600 features elegantly designed brushed aluminum top and side panels. It will last for builds to come with space for a 12.5" graphics card, 2 expansion slots, and three drive bays. Discover the power of the ISK600.
